Finally, using your smart phone, download the Ride with GPS app. Open the app and select **Log In**. On the Ride with GPS homepage select the **HRER logo**.

To begin navigating a ride select **Collections** and then select the location you are riding from. Select the route you wish to follow and then select **Navigate** to begin your ride.

Ride with GPS will provide turn by turn instructions to follow your chosen route. On the Ride with GPS routed map your location will always be indicated by a blue dot.

Remember to End and Save your ride when you finish riding or Ride with GPS will beep at you and record your drive home.
